GREGORY H. WOODS, United States District Judge:		

On February 20, 2024, the Court held an initial pretrial conference in this matter. During the conference, the parties acknowledged that they had not yet conducted two meetings regarding settlement as required by the Court's October 23, 2023 order. Dkt. No. 5. The parties confirmed that the instructions in the October 23, 2023 order were clear. The Court observes that Plaintiff's counsel has a history of violating the Court's orders. *See* 1:23-cv-1816, Dkt. No. 26. Both parties are ordered to comply with all future orders in this case. Plaintiff's counsel is reminded that repeated failure to comply with orders may result in the imposition of sanctions.

SO ORDERED.
